

Brick DSO

Brick DSO is a practical and compact outdoor wall luminaire featuring two power sockets. The colour temperature can be selected from three options during installation. Brick DSO is an excellent choice for spaces where both lighting and power sockets are required, such as terraces and balconies. By combining different models of Airam outdoor luminaires, you can create a harmonious overall look for your project. The product ranges share a common colour selection, high-quality materials, modern design and easy installation.
