

Cajo 100

Cajo 100 is a downward-lighting luminaire for façades and balconies. Thanks to its light output, Cajo 100 is also a good choice for larger projects. The luminaire has a high-quality finish. The colour temperature can be selected from two options during installation. By combining different models of Airam outdoor luminaires, you can create a harmonious overall look for your project. The product ranges share a common colour selection, high-quality materials, modern design and easy installation.
