

Guide

Guide is a house number luminaire with a glass diffuser and a modern design. The luminaire offers good impact resistance. The colour temperature can be selected from two options during installation. The luminaire is dimmable. The package includes letter and number stickers 1 x A-I / 2 x 0-9. By combining different models of Airam outdoor luminaires, you can create a harmonious overall look for your project. The product ranges share a common colour selection, high-quality materials, modern design and easy installation.
