IP20 | 3 x 2,5 | IK05 | 5 year guarantee

TEHTY SUOMESSA MADE IN FINLAND

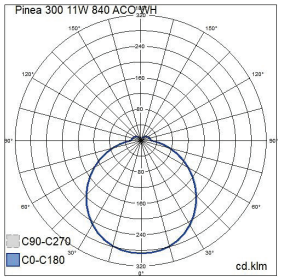

Pinea

Pinea is a universal luminaire with a housing made of wood composite manufactured in Finland and a diffuser made of recycled acrylic. The wood composite consists of cellulose fibres and a biopolymer made from renewable materials, and the raw materials are obtained from the side streams and residues of wood and pulp processing. The luminaire has a luminous efficacy of 145 lm/W and is equipped with an energy efficiency class A light source (210 lm/W). The housing and diffuser of Pinea, designed in Kerava, are manufactured in Finland, and the product is assembled at Airam's factory in Lahti. Pinea has been awarded the Key Flag Symbol.

- Wood composite housing and diffuser made of recycled acrylic (ACO).
- White, RAL 110 96 02.
- Protection class II.
- Surface mounting on a wall or ceiling.
- Linking: 3 x 1,5/2,5 mm^2.
- Colour temperature 4000 K. CRI > 80 / Ra > 80.
- MacAdam 3 SDCM.
- IP20.
- IK05.
- Integrated LED: 6 W 840 lm / 11 W 1550 lm.
- Contains a light source of energy efficiency class A (210 lm/W).
- The ambient temperature range 0 ... 25 °C.
- Rated lifetime L80 100 000 h.

Highly energy-efficient 145 lm/W
