

Holm 3Eye

The recess-mounted Holm Eye luminaire, which distributes light to the sides, is designed for use on patios or by front doors on residential properties. You can also use it indoors as an eye-catching accent lighting solution. The luminaire withstands being stepped on. It has a dust- and spatter-proof housing. You can select a GU10 lamp with a colour temperature and beam of your choice.

- Aluminium frame, decorative ring stainless steel.
