Marketta

The Finnish-made Marketta luminaire series has been designed specifically with the lighting needs of commercial premises and stores. Marketta is also suitable for spaces where high-quality general lighting is needed. The structure of the luminaire has been optimized by minimizing the use of materials, making it as cost-effective and lightweight as possible. The lightweight construction also makes handling and installation of the luminaire easy and effortless. Various installation kits are available; both as ready-made solutions and customized. Marketta is designed in Kerava, Finland and manufactured at the Airam factory in Lahti. The product has been awarded the Key Flag Symbol.

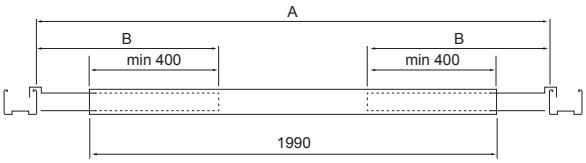

Installing Marketta on a suspension rail is possible using ramp mounting brackets.
